

Certificate III in Individual Support (Disability)

National ID: CHC33015 | State ID:AA67

If you are passionate about supporting people with disability to reach their potential and live an independent life, then this is the course for you

When you complete the Certificate III in Individual Support (Disability) you will be on a pathway to **develop a career in the rewarding world of disability work**. On successful completion you could find work in a variety of settings such as residential, individual support, employment, recreational/day support, advocacy and case management.

This course includes a **supervised work placement**, where you'll be able to apply your training in a meaningful and relevant way, and gain real industry experience.

Gain these skills

- Support people with disability to move towards a more independent and self-determined life
- Communicate, network and work with relevant people to ensure the person is supported in all aspects of their life
- Work and develop relationships within a team

Your qualification prepares you for roles such as:

Disability Carer | Personal Care Worker

Other job titles may include:

- Disability Support Worker
- Community Support Worker
- Residential Support Worker
- Support Coordinator
- Life Skills Supporter
- Disability Support Trainer
