

Certificate II in Cabinet Making and Timber Technology (Cabinet Making and Timber Technology Pre-apprenticeship)

National ID: MSF20322 | State ID:AE17

Want a trades career making cherished chairs and loved lounges?

This course will help you to gain an apprenticeship in furniture or cabinet making. Cabinet makers work from plans or drawings to make furniture and fixtures for new homes, offices and shops.

When you complete the Certificate II in Furniture Making (Cabinet Making/Furniture Making Pre-Apprenticeship) you'll be what employers are looking for in an apprentice **furniture maker** or **cabinet maker**.

Cabinet makers work from plans or drawings to make home and office furniture, including built-in cupboards and fixtures for new homes and shops. Furniture making concentrates on the production of solid and free standing furniture.

Many employers now prefer apprenticeship applicants to have completed a pre-apprenticeship. This course will give you the skills, knowledge and behaviours to **prepare you and make you more competitive** when applying for apprenticeship positions. It will give you a **better chance** of gaining an apprenticeship and a flying start in learning a trade.

Your qualification prepares you for roles such as:

Assistant Cabinetmaker | Furniture Making Factory Worker | Furniture Making Labourer

Successful completion of this qualification provides you with the opportunity to become an apprentice in Furniture Maker and Cabinetmaker, but you need to be registered with the The Apprenticeship Office and employed.
