

# Certificate III in Allied Health Assistance

National ID: HLT33015 | State ID:AWK5

## Working alongside allied health staff is a growing industry

Gain the skills to **assist allied health professionals** (physiotherapists, occupational therapists and speech pathologists) with the implementation of maintenance **therapy programs** to improve a client's quality of life.

During this course, you will learn how to work with children, adults and older people with a range of physical disabilities, mental health conditions, developmental delays, communication difficulties and/or social disadvantage. You will have access to a team of allied health professionals who are able to share their experiences and support your learning throughout the course.

Online learning makes up part of the course delivery and access to online resources to reinforce classroom learning is provided. You will be supported in learning the required knowledge and skills through classroom discussions and simulation activities before undertaking a **full-time work placement**.

## Gain these skills

- Therapeutic interventions
- Effective communication with clients and teams
- Support individual client needs
- Manage therapy groups using safe work practices and to current industry standards
- Comply with infection prevention and control policies and procedures
- Interpret and apply medical terminology appropriately

## Your qualification prepares you for roles such as:

Therapy Aide | Therapist Assistant

Other job titles may include:

- Physiotherapy Assistant
- Allied Health Assistant
- Speech Pathology Assistant

Further Study Option(s)
