Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal)

National ID: MAR20321 | State ID:BHD0

Operate the engines of vessels less than 12 metres long

Become a coxswain in the small vessel sector in commercial workboats, fisheries, fishing, tourism and aquaculture.

This qualification is suitable for people who want to command and operate the engines of a vessel less than 12 metres long with unlimited outboard engine propulsion, or inboard engines less than 500 kilowatts.

- In inshore waters (refer to National Standard for Commercial Vessels Part B—General requirements) or designated waters (under state or territory waterway management legislation).
- As a tender or auxiliary vessel operating within 3 nautical miles of a parent vessel within the exclusive economic zone.

Gain these skills

- perform basic servicing and maintenance of main propulsion unit and auxiliary systems
- operate inboard and outboard motors
- operate main propulsion unit and auxiliary systems
- apply basic survival skills in the event of vessel abandonment
- follow procedures to minimise and fight fires on board a vessel
- survive at sea using survival craft
- follow environmental work practices
- plan and navigate a passage for a vessel up to 12 metres
- apply seamanship skills aboard a vessel up to 12 metres

Your qualification prepares you for roles such as:

This qualification is suitable for people who work as a Coxswain Grade 1 Near Coastal in the maritime industry and Command a Commercial Marine Vessel which is up to 12 meters in length. The propulsion power must be unlimited for an outboard engine or up to 500 kW for an inboard engine. Vessel: inshore or as a tender or auxiliary vessel within 3 nautical miles (nm) of a parent vessel within the exclusive economic zone (EEZ).
