

Certificate III in Fitness

National ID: SIS30321 | State ID: BHE5

Gain the knowledge and skills to step into the dynamic and fast paced world of Fitness

Do you have a passion for the power of exercise and see your future in fitness? The Certificate III in Fitness is the first qualification you need if you want to kick-start your career in this thriving industry.

We offer real world knowledge to plan and conduct **fitness programs** for a variety of clients and to build up your communication, organisation and time management skills through our locally, and nationally qualified team of lecturers.

You will learn about the roles of **fitness instruction** and **exercise science** while gaining an overview of work performance in the industry. You will undertake Industry relevant learning in areas that include; anatomy, physiology, appraisals and programming, analysis of risk, responding to emergency situations and the maintenance of equipment.

As part of this qualification, you will undertake a **supervised work placement** in the Fitness Industry where you will be able to apply the skills and knowledge you have learned.

Gain these skills

- Ability to deliver Circuit style classes, to athletes or the general community, including youth and young teens
- Practical skills for working with a wide range of clients including youth, older adults and individuals with disabilities
- Communication skills to positively motivate others to succeed in their fitness goals

Your qualification prepares you for roles such as:

Gym Instructor | Fitness Instructor
