

Certificate III in Animal Care Services

National ID: ACM30122 | State ID: BHV0

Do you love animals and want to follow your calling to work with cats, canines and all creatures? If your dream is to work day-to-day with animals, this course will give you job ready skills to be employed in a broad range of roles in the animal care industry, including dog daycare, boarding, rescue shelters, pet sitting, dog walking, breeding establishments and other animal businesses.

Learn from our expert team of lecturers who are specialists in animal care and passionate about teaching and maintaining the highest standards of grooming, health, feeding and welfare for animals. You'll gain skills in interacting safely, providing animal first-aid, walking and bathing dogs, as well as grooming crossbreed dogs and companion animals according to breed and coat. Build your knowledge of how to provide care to a wide range of animal species including dogs, rodents, rabbits, birds, fish, and reptiles.

This course is ideal if you wish to begin working in animal care, and if you're already employed or volunteering in the industry, the course will give you a formal qualification to further develop your skillset and help advance further in your current workplace.

Turn your passion into your profession and start your career in animal care with this entry-level course.

Your qualification prepares you for roles such as:

Pet Groomer

Further Study Option(s)

Certificate IV in Veterinary Nursing
