

Diploma of Remedial Massage

National ID: HLT52021 | State ID: BIP6

Get national accreditation as a health care provider

This course will provide you with the **latest remedial massage techniques**. Whilst studying you will **practice in a variety of clinical and sporting environments** with clients ranging from people with disabilities to elite athletes - we are affiliated with a number of WA sports teams and work with them where possible.

On completion of this course, you are able to apply for and receive a private health care provider number from the nationally accredited massage associations.

Gain these skills

- Assess a client's massage needs and plan and conduct remedial massage using a wide range of soft tissue massage techniques
- A knowledge of anatomy, physiology and pathology
- Communicate effectively with clients and health professionals, and engage with the health system
- Work safely and ethically in a health care environment
- Develop your own massage practice
- Strong time management skills

Your qualification prepares you for roles such as:

Massage Therapist | Remedial Masseur

Further Study Option(s)

University undergraduate degree
