

HLT52015 Diploma of Remedial Massage

National ID: HLT52015 | State ID:AWI6

This course will provide you with the latest remedial massage techniques. Whilst studying you will practice in a variety of clinical and sporting environments with clients ranging from people with disabilities to elite athletes.

On completion you will be eligible to apply for all private health care provider numbers (including Medibank) through nationally accredited massage associations.

Your qualification prepares you for roles such as:

Successful completion of this qualification provides you with the opportunity to become a remedial massage therapist, either as a sole practitioner or with other health professionals such as physiotherapists.

When you complete the Diploma of Remedial Massage you could become a remedial massage therapist who works with clients presenting with soft tissue dysfunction, musculoskeletal imbalance or restrictions in range of motion (ROM). Remedial Massage Therapists may be self-employed or work within a larger health service.
